

ESTATE, TRUST AND

MULTI-DIMENSIONAL, EXTENSIVE EXPERIENCE

Henson Efron's estate planning, trust and probate group practicing in our Minneapolis law firm counsels and represents clients on estate planning matters as well as those matters dealing with probates and trusts. Our multi-dimensional practice group involves attorneys with extensive experience in estate planning, trust and probate issues, but can also encompass those attorneys in our tax, business law and litigation practice groups when necessary.

ESTATE, TRUST AND PROBATE SERVICES

dimensional practice group involves attorneys with extensive experience in estate planning, trust and probate issues, but can also encompass those attorneys in our tax, business law and litigation practice groups when necessary. We offer smart solutions for both simple and complex estates and trusts, whether in need of transferring assets, minimizing taxes, litigating disputes, obtaining guardianships/conservatorships or planning for the future of a business. Our estate planning, trust and probate attorneys provide personal attention to each unique concern. We invite you to explore our specific estate planning, trust and probate services below.
