With more than 35 years of experience, I provide strategic counsel to individuals and businesses of all sizes, from well-established midsize companies to major corporations. My practice covers the full spectrum of business law, including mergers and acquisitions, governance, contract negotiations, financing, and employee relationships. Whether advising on a \$5 million deal or a billion-dollar merger, I deliver tailored solutions to meet each client's specific goals.

Having served as the firm's President for over a decade and as the leader of the Business Law Practice Group, I've been fortunate to play a key role in guiding both the firm and its clients toward long-term success. My early experience working in my family's graphic arts and advertising business shaped my business-focused approach and helps me understand the challenges my clients face.

Clients rely on me to identify potential risks, negotiate practical solutions, and drive successful outcomes. My ability to foster strong relationships and navigate complex issues with creativity and professionalism is a hallmark of my practice. I am committed to helping clients achieve their objectives efficiently and effectively while positioning their businesses for continued growth.

It is incredibly rewarding to help businesses thrive at every stage of their journey. Whether navigating an acquisition, structuring agreements, or

addressing day-to-day legal challenges, I approach each matter with focus, strategy, and a commitment to delivering results.
