Michelle Besser

Paralegal

SERVICES

As a paralegal in the estate, trust, and probate area, I provide clients with the guidance and support they need during pivotal moments. My work focuses on simplifying complex processes, from drafting and organizing estate planning documents to coordinating probate and trust administration—including asset collection, inventories, and accountings. I also handle tax-related matters, estate tax returns, real estate deeds, and discovery coordination, ensuring accuracy and compliance throughout.

Clear communication and a collaborative approach are central to my work. By combining attention to detail with practical problem-solving, I deliver comprehensive solutions tailored to each client's unique needs.
